Commissioners OK solar updates by 2-1 vote

BY BOB DEMAREE

The Jefferson County Commissioners approved a solar development update to the county's Unified Development Ordinance (UDO) at Thursday's meeting with one amendment.

The vote was 2-1 to approve the solar update that had been previously approved and recommended by the County Plan Commission. Commissioners David Bramer and Ron Lee voted yes, and Commissioner Bobby Little voted no.

The Commissioners also approved an amendment adding "pasture land" to the ordinance and setting a limit of 4,000 acres on the tillable and pasture acreage that can be taken out of production for development of Commercial Solar Energy Systems. All three Commissioners voted in favor of the amendment.

Little had asked for another amendment that would establish solar system setbacks at 650 feet rather than the 500 feet recommended by the Plan Commission. That amendment failed because

Little's motion did not receive a second.

Little noted the regulations on whiskey barrel storage facilities had a minimum of 600 feet and maximum of 1,320 feet, which he said is one-fourth of a mile. Based on that, he said "I don't think that 650 feet is unreasonable" for solar.

Lee said much research went into the UDO, and even though 650 feet is more of a setback, "the folks that have that property still have to take care of it inside, so I'm still good with the 500 feet" providing enough

of a setback.

Bramer agreed noting, "At the end of the day, these farmers have decided this is what they want to do with their property," even as others will say there should also be consideration about what they want to do with their property. "There are things in the ordinance that have been set up" to provide screening to hide the solar. "It's pretty clear there have got to be 6 foot trees that need to be put in around as screening" rather than small trees. "There is going to be opaque fencing."

Bramer noted there will be no screening with the whiskey barrel houses, which will be visible, but the extra distance will provide separation so that if there is a fire in one barrel house it doesn't spread to others. "I don't think that it is going to be an issue with solar panels going up in flames."

Bramer also said while it hasn't been determined how a 650-foot setback would impact the likelihood of solar in Jefferson County, it's been

Hanover College Science Center celebrates 25 years

BY BOB DEMAREE

A 25th anniversary of the Hanover College Science Center will be celebrated Thursday with a lecture by author Larry Nielsen at 7:30 p.m. in the lecture hall 137.

The Science Center was dedicated on Sept. 30, 2000, and included a new building attached to Goodrich Hall totaling 123,100 square feet to provide teaching and research space for students

and faculty in biology, chemistry, physics, geology and psychology, along with a museum of natural history in spaces within the hallways and lobby.

"People who go in there say it's the best kept secret in southern Indiana, so we're kind of proud of it," said Dr. Stan Totten, a geologist and professor emeritus of geology at Hanover College.

The new science building was a priority of Dr. Russell Nichols, president of Hanover College from 1987-2007,

with planning beginning after completion of the John and Anne Horner Health and Recreation Center in 1995. Construction of the Science Center began in 1998.

The Science Center cost \$23 million to build, providing academic space that includes 34 laboratory rooms designed to be student-friendly for optimum hands-on experience.

Michigan man sentenced to 12 years for intimidation of agency workers

A Michigan man was sentenced on Tuesday to 12 years prison in connection with his conviction in August on five counts of Intimidation — four Level 5 felonies and one Level 6 felony — by a Jefferson County Superior Court jury.

Mykal James Alan Gerou, 24, of Newberry, Michigan, was found guilty on all counts by a jury on Aug. 20. Gerou was convicted on four counts of Intimidation as Level 5 felonies, and one count of Intimidation as a Level six felony in connection with numerous threats of violence he made to community agencies and individuals at the Jefferson County Department of Child Services (DCS), a therapist, his Child in Need of Services (CHINS) attorney, and a local animal control officer.

Superior Court Judge Blaine Goode subsequently sentenced Gerou on Sept. 16, to 12 years at the Indiana Department of Correction — including four years on three counts, three years on one count and one year on a final count to all be served consecutively — with eight years executed, one year suspended to probation and credit for 590 days jail served. The case was tried by Chief Deputy Prosecutor Mark Wynn and Deputy Prosecutor Michaelia Gilbert.

"Gerou has a similar history of egregious behavior in Michigan. His criminal actions continued when he came to Jefferson County. We appreciate the careful consideration of the evidence given by the jury during the trial," said the

prosecutors.

The case was investigated by Jefferson County Deputy

Sheriff Logan Gray beginning in June of 2024. Gray discovered numerous threats of violence made by Gerou to the community agencies and individuals

including multiple occasions when Gerou made

threats to different individuals regarding killing DCS workers and others by use of lethal force.

At the end of Gray's investigation, Gerou was arrested for multiple acts of intimidation on June 28, 2024, at the DCS office in Madison. A semi-automatic Ruger pistol was located in his vehicle along with two loaded magazines. At the time of his arrest, Gerou was lodged in the Jefferson County jail on a \$100,000 cash bond.

On Sept. 16, Deputy Prosecutor Gilbert presented arguments in support of a sentence that reflected the severity of the defendant's conduct. In issuing the sentence, Judge Goode emphasized that no public official should have to live in fear for their life as a result of carrying out their duties.

The Prosecutor's Office thanked the individuals and agencies whose dedication made the outcome possible, including: the Jefferson County Sheriff's Office, the Town of Hanover Police Department, City of Madison Animal Control, Jefferson County Animal Control, the Indiana Department of Child Services, and Norton King's Daughters' Health.

Dry conditions lead to burn ban in Jefferson County

BY BOB DEMAREE

A burn ban was announced for Jefferson County on Thursday by Jefferson County Emergency Management Agency Director Matt True, joining several other counties in the area including Trimble County in Kentucky and Switzerland County in Indiana.

"I know it's getting dry. I've been keeping my eye on the National Weather Service forecast," True told

the Commissioners at their meeting on Thursday, noting he believed it was time that precautions needed to be taken and asked them to sign off on the order.

Madison Township Fire Department Chief Robert Black said with the dry conditions, "We just want to be ahead the game so we're not multiplying on calls."

After the Commissioners meeting later that evening,

Madison man injured in single-vehicle accident in Hanover

BY THE COURIER STAFF

A Madison man sustained injuries in a single-vehicle accident Wednesday in Hanover that resulted in a power outage that lasted several hours.

The accident, reported to the Jefferson County Sheriff's Office at 7:27 p.m. Wednesday, was in front of Jendy's Pizzeria, 239 West Lagrange Road in Hanover.

The vehicle, operated by

James Burdett, 74, Madison, left the roadway and struck a utility pole, causing the pole to snap and heavy damaged to the trucks. Burdett was transported to Norton King's Daughters' Health for medical treatment of non-life threatening injuries, according to the Sheriff's Department.

Portions of the town of Hanover experienced a power outage that lasted through the overnight hours into early morning Thursday, Sept. 18,

as Duke Energy crews worked to restore service.

The Jefferson County Sheriff's Office was assisted at the scene by Hanover Fire Department, King's Daughters' EMS, and Duke Energy.

On Sunday, deputies from the Jefferson County Sheriff's Office responded to the 10000 block of West State Road 256 for a report of a domestic situation.

Preliminary information indicated that a firearm had been discharged. Upon arrival, deputies quickly secured the scene and made contact with all individuals involved. It was determined that no one had been injured, no shots had struck anyone, and no crime had been committed with a firearm.

King's Daughters' Health EMS checked an individual at the scene who was found to be OK. Madison Police Department also provided assistance.

Two Hanover men arrested following pursuit now being held for ICE

BY THE COURIER STAFF

A vehicle pursuit Thursday in Hanover led to the arrest of two suspects by Indiana State Police.

Misael Nopal-Mendoza, 26, and Jose Alfredo Jimenez-Perez, 27, both of Hanover, were arrested in connection with the pursuit and placed on a hold for U.S. Immigration and Customs Enforcement-Department of Homeland Security.

At approximately 11 p.m., Trooper Tia Hunt was off duty in plain clothes in her marked state police vehicle when she observed two men showing signs of intoxication at the Circle K convenience store in Hanover. Hunt approached the vehicle and spoke to the driver, Nopal-Mendoza who rolled up the truck window and fled in the vehicle. Hunt pursued the vehicle for a short distance before it entered into a mobile home park. She also radioed officers from the Madison Police Department and the Jefferson County Sheriff's Office for backup.

Nopal-Mendoza and a male passenger exited the

vehicle with Nopal-Mendoza leaving the area on foot. A third male, later identified as Jimenez-Perez, came out of a residence and began interfering with the investigation and preventing officers from locating Nopal-Mendoza.

The officers soon found Nopal-Mendoza hiding nearby and he was arrested on preliminary charges of Resisting Law Enforcement in a Vehicle, Resisting Law Enforcement on Foot, Operating While Intoxicated, Reckless Driving, Obstruction of Justice, and Operating Without Ever Having Received a Valid Driver's License. Jimenez-Perez was arrested on charges of Resisting Law Enforcement, Disorderly Conduct, and Public Intoxication.

Both men were transported to the Jefferson County Sheriff's Office and Criminal Justice Center. Hunt was assisted by Madison Police Officers Jared Sweet, Aaron Watson Jr. and Wayne Phillips. Jefferson County Sheriff's Deputies Wes McDonald and Jordan Baxter also assisted at the scene.

Vintage hydros roar on the Ohio

BY THE COURIER STAFF

The annual Vintage Thunder hydroplane event, presented by the National Boat Racing Heritage Center, roared on the Ohio River on Saturday and Sunday.

Nearly 20 vintage boats representing eight different classes presented exhibition runs over the two days. In addition, vendors were on hand for fans.

The headliners of the event were a pair of vintage Unlimited hydroplanes, the Miss US 1 and the Miss US V, both of which competed on the circuit in the 1960s.

The Miss US 1 was driven by George Simon, the grandson of the boat's

original owner. The Miss US 1's highlight was setting the one-mile straightaway record of 200.419 mph on

Lake Guntersville in Alabama in 1962 with Roy Duby driving. That record still stands.

The next hydroplane event on the Ohio River will be the Madison Regatta July 3-5, 2026.

FROM PAGE A1

True issued a statement that the National Weather Service and NOAA Climate Prediction Center have predicted conditions will remain dry throughout the next 6 to 10-day forecast, and the burn ban is necessary until conditions improve due to the elevated risk of widespread fire hazards and ongoing drought conditions.

The ban prohibits open burning of any kind using conventional fuel such as wood or any other combustible material except for grills fueled by charcoal briquettes, propane, or pellets. Charcoal from the permitted grill shall not be removed from the grills until the charcoal has been thoroughly

extinguished. Also prohibited is the burning of debris, such as timber or vegetation including leaf litter, and other such debris that result from building construction activities. Campfires and other recreational fires are also prohibited unless enclosed to capture embers.

Trimble County has been under a burn ban since Sept. 15, prohibiting all outdoor burning. Switzerland County has been under a burn ban since Sept. 11.

Other nearby Indiana counties with burn bans included Dearborn, Jennings, Ohio, Scott and Washington counties. In Kentucky, nearby counties with burn bans include Franklin, Harrison, Henry, Scott, Shelby and Spencer counties. Carroll County has not declared a burn ban.

stated that a setback of 1,000 feet, “means you don’t want any (solar) coming, and I know there will be people who will say ‘we don’t’ want solar coming but “there are some folks that do” want solar.

“I believe property owners should be able to use their property but not at the expense of your neighbor,” said Little. “That’s what my feeling is If I want to go out on my back porch and listen to my turkeys, I don’t have to look at this because

it’s far enough away. I don’t hear it. I don’t see it. I don’t think that’s asking a lot.”

Bramer noted that solar “has been a divisive subject” in Jefferson County. “It’s been a hard one. It’s one that we’ve wrestled with.”

Even though the Commissioners disagreed on some of the solar updates, they said there were no hard feelings from the decision. “We’ll still be friends,” said Lee, with Bramer turning to shake hands with Little, reaffirming their friendship.

At the end of the meeting, Sherry Chapo of Deputy Pike noted that at the previous meeting Lee had indicated

support for a 650-foot setback, and asked what changed his mind to stay with the 500 feet the Plan Commission recommended.

Lee said after more investigation, including talking to members of the Plan Commission and watching a video replay of a meeting when the solar updates were discussed, “It looked to me they had enough research for the 500 feet.”

In other business:

- Larry Andress, the county’s weights and measures inspector, discussed the potential of allowing an assistant to help him since he was diagnosed two years

ago with rheumatoid arthritis, and there are parts of the job that are now more difficult for him.

“I can resign, that’s not a problem,” Andress said.

“You’re too responsible” and a valued county employee, Little said, noting he did not want Andress to

step down.

Several options were suggested including Andress contracting for an assistant the he himself would pay, utilizing a highway department employee and other possibilities. Andress said the assistant would be needed for approximately 30

hours per year.

- Announced that the Indiana Attorney General’s office has sent a letter announcing that additional opioid settlement funds will be coming to Jefferson County, although the exact amount has not yet been provided.

The building is also a museum with a life-size skeletal cast of “The Burning Tree Mastodon,” that is recognized as the world’s most complete American mastodon, standing 11 feet tall and stretching 20 feet in length counting the tusks. Also on display is the juvenile Tyrannosaurus rex that’s

approximately 30 feet wide as well as a variety of displays such as colorful minerals, rare and unusual fossils, art and cultural exhibits, and a butterfly collection.

Totten said he wants the focus for the 25th anniversary celebration to be on the building, not just the museum. “We’re really honoring the building,” he said, which was described in the program for the 2020 dedication as “bringing the science faculty

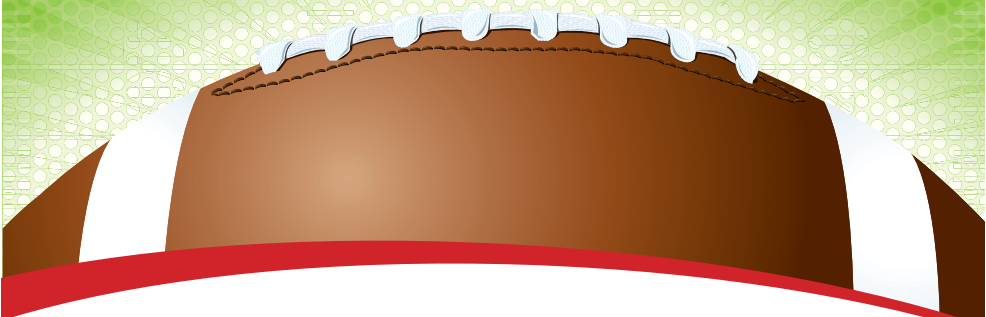

and students together in one inter-disciplinary teaching and research facility.”

Nielsen, professor emeritus of natural resources at North Carolina State University, is author of “Nature’s Allies,” a book of eight biographies of conservation leaders. “We’re trying to get students interested in taking initiative of what they can do to preserve nature,” said Totten.

Thursday’s program is free and open to the public. A reception will follow.

Dowell's record 69 leads Madison to 3rd-straight sectional title

BY DAVID CAMPBELL

After weeks of not playing like herself, Madison golfer Emmi Dowell decided to hit the driving range and sort things out to get back on track. Evidently, it worked.

Dowell broke the Sunrise Golf Course Girls Sectional record by shooting a three-under 69 to lead Madison to its third-straight girls golf sectional championship and 13th overall.

For the Madison senior, it was her third-straight sectional low-medalist performance but none of the others came this easily.

"We fixed my swing and got my right elbow getting in the pocket, and I got some of my distance back, and I hit it really well today, and really far well," Dowell said. "I think getting some of that distance back definitely helped me, because during other matches, I just found myself hitting short and just having to work to get up and down instead of pars, which just made it a lot harder. I hit 15 greens today."

Dowell showed right away that she was going to be the player to beat, making birdies on two of her first four holes and coming in two-under at the turn. She didn't let up, shooting one-under on the back nine to run away with the title by 15 strokes.

Dowell's 69 broke former teammate Keara Eder's record of 71 set four years ago. Sunrise has hosted the sectional the past 15 years.

"I told myself, with the slump that I've been having this year, I would be happy with anything under an 82," Dowell said with a smile. "So it was definitely good. I was proud of myself for shooting a 69 and I felt like I worked really hard."

Dowell's round was just the leadoff to a dominating performance overall for the Cubs. Four of the top five individual scores came from Madison, which shot a 342 to win the sectional by 61 strokes.

"I could not be more proud of Emmi and all the girls for that matter. She and all the girls have worked so hard to get to this spot, and they put a lot of pressure on themselves because they knew they weren't meeting their potential along the way," Madison coach Jake Shockley said. "They were just grinding and frustrated and it just wasn't coming together. But to see

it come together today was because it was such a grind, and it does make it feel a lot sweeter."

Eliza Burnette was second for Madison and the runner-up overall with an 84 while Claire Miller was

fourth overall with a 93 and Emma Shockley was fifth with a 96. Tera Scharlau added a non-scoring 100 for Madison, which actually tied for seventh overall, as all five Madison players set personal bests on the day.

David Campbell

Madison's Eliza Burnette shot an 84 to finish as the runner-up medalist at the IHSAA Girls Golf Sectional at Sunrise Golf Course on Saturday.

Just four schools brought complete teams to the tournament — the smallest field the sectional has seen

in nearly two decades. Two schools, Lawrenceburg and New Washington, started the day with full teams but each had enough players withdraw that their team scores did not count.

Despite the lack of competition, Madison's 342 was the best winning score in the sectional since 2014, a fact that pleased coach Shockley.

"They play for each other. We play for each other. We know that if it doesn't come together that day, we still have each other. We're one big, happy family," Shockley said. "They don't want to let each other down and I think that the team and family atmosphere that we cultivated here really helps us when we get to sectional Saturday."

Switzerland County placed second overall in the team standings with a 403 to earn a regional berth for the third-straight year. Jennings County was third with a 436 and Southwestern placed fourth with a 524.

Alexis Mangold shot a 97 to lead Switzerland County, Payton Stow had a 100, Marilynn Dalrymple and Paige Gregory each had 103s and Brinley Bear shot a non-scoring 104.

Paisley Hendrix led Southwestern with a 117 and earned the third regional berth for individuals from non-advancing teams. Ava Barnes had a 128, Lily Eggenspiller a 136 and Jasmin Corral a 143.

Scottsburg's Marley Fleenor had a 101 and Charlestown's Maggie Severs a 108 as both also earned regional berths as individuals.

The IHSAA Regional will be held at The Legends of Indiana Golf Course in Franklin on Saturday.

REBELS FALL AT HOME

Southwestern hosted four other schools at Butler Falls Golf Course last Wednesday to close out the regular season.

Eastern (Pekin) shot a 212 to win the event and Clarksville had a 213. Southwestern, Scottsburg and South Central each failed to field complete teams.

Ava Barnes led Southwestern with a 49, which was good for fourth overall. Lily Eggenspiller had a 60 and Jasmin Corral had a 70.

Another 2nd-half meltdown costs Madison 41-20 loss at Jennings

BY DAVID CAMPBELL

NORTH VERNON — Madison took a 13-0 lead into halftime, but the Cubs' ongoing second-half woes reared again as Jennings ripped off 20-straight points in the third quarter for a 41-20 win in the annual Battle of the Railroad game at Jennings County on Friday.

It marked the 13th-straight year that the home team has won the regular-season matchup between the two schools, but more importantly, it was the fifth-straight game this season that Madison coach Charles Benintende saw his team melt down in the second half.

"We had a good game plan, and they just don't know how to fight through adversity. Soon as something goes bad, they just don't know how to respond," Benintende said. "We give up nothing in the first half and give up 30 in the third quarter. It's just crazy. I keep saying it's a maturation process, but it fully is. We've got so many kids that when one thing goes wrong, they hang their heads and stuff like that. We put together one hell of a half and then went to complete opposite 180 in the other half."

After a scoreless first quarter that saw both teams squander chances, Madison (0-5) got a big 46-yard run by Joseph Stanley and a 2-yard touchdown run by Izik Roberts to take a 7-0 lead two minutes into the second quarter.

Sophomore kicker Wyatt Overpeck did the rest. Overpeck missed a 37-yard field goal in the first quarter, but drilled the extra point after Roberts' touchdown and then added a pair of field goals late in the second quarter, from 27 and 26 yards, both in the final minute.

Overpeck's second field goal came just before the half when Madison took advantage of a Jennings mistake. After Overpeck hit his first field goal with 34 seconds left in the half, Madison's

Kayden McKay intercepted a Jennings pass to again set the Cubs up in good field position.

Madison quarterback Matt McCarty hit Alex Kindle on a 21-yard pass to get in range and Overpeck booted the field goal with three seconds left in the half.

Jennings County (3-2) finally got on the board midway through the third quarter and ended up scoring 20-straight points to take the lead, all on TD runs by quarterback Brady Franks.

Franks first scored on a 3-yard run with Sam Hernandez adding the extra point to cut the lead to 13-7. Franks' 35-yard run moments later — after the Panthers had recovered an onside kick — tied the game 13-13 when Hernandez's kick failed. Jennings then used a short field to score on a 24-yard run by Franks and take a 20-13 lead.

Switzerland stumbles to No. 1 North Decatur in battle of unbeatens

BY THE COURIER STAFF

Friday night's scoreboard didn't tell the whole story. Switzerland County fell 27-0 at home to powerhouse North Decatur, the top-ranked team in Class 1A, but the Pacers proved they could stand toe-to-toe with one of Indiana's best.

From the opening kickoff, the Pacers fought with grit, determination, and a no-quit attitude that made the hometown crowd proud.

Although the Chargers struck early with a 9-yard touchdown pass in the first quarter, Switzerland County's defense dug in and forced the guests to grind for every yard the rest of the way eventually giving up a big play through the air to set up a 3-yard run by the Chargers to push the lead to 13-0 at the half.

The Pacers nearly broke through in the third quarter with their best offensive series of the night. Quarterback Alex Bailey and running backs Matthew Young and Kolvin Beck powered a steady march deep into Charger territory, moving the ball all the way to the North Decatur 17-yard line.

Just as the Pacers were threatening

to make it a one-score game, the drive stalled — in large part due to what many on the sidelines felt was a missed call. On a crucial play, Bailey was yanked down by his facemask

seemingly in front of the officials, but no flag was thrown. The no-call left Switzerland County facing a long down-and-distance, and the possession eventually ended without points. The

Chargers scored twice more in the fourth quarter to stretch the lead to the final 27-0 margin.

Bailey led the offense with 60 hard-fought rushing yards, including a 31-yard burst that gave the Pacers' sideline a jolt of energy. He was also 2-for-2 through the air, connecting with Masin Stroud for a 10-yard gain. On the ground, Young added 26 yards while Kolvin Beck powered ahead for 21 more, helping the Pacers tally 113 rushing yards against a defense that rarely gives up much.

On the other side of the ball, Switzerland County's defense answered the call time and again. Beck paced the unit with seven tackles and two assists including two tackles for loss while Young chipped in six tackles. Big men up front like Grayson Levell (with four tackles) and Easton Jesop (with a tackle for loss) clogged the trenches, while Drake Ketterer and Keaton Mosley each registered a sack against the Charger quarterback.

The Pacers evenly matched North Decatur in turnovers, with both sides giving the ball away once. North Decatur piled up 345 yards of offense, but the Pacers made the Chargers earn that on 55 plays, while Switzerland

County managed 125 yards on 40 plays.

Head coach Ryan Jesop commended his team afterward.

"That's the number one team in the state, and our kids didn't back down. They fought every snap," Jesop said. "I couldn't be prouder of their effort. No excuses. We got out-coached and out-played tonight in some key situations by a very fundamentally sound program which led to our first loss of the season."

While the Pacers came up short on the scoreboard, their relentless effort against the state's top-ranked program is a sign of a team growing stronger week by week. With their toughness on display, Switzerland County will look to carry that fight into the rest of the season, including next week's game at Edinburgh, now 1-3 after the Lancers scored their first win of the season Sept. 12 over Southside homeschool 18-16.

"These seniors are on a mission to prove to fans and opponents alike that the Pacers are for real and we refuse to allow this one loss to define our season," Jesop said.

Trimble comeback falls short at Eminence 27-16

BY ABBY HOOVEN
PAXTON MEDIA GROUP

EMINENCE, Ky. — Eminence withstood Trimble County's fourth quarter comeback attempt to earn its first win of the season, 27-16, on Friday, Sept. 19.

After the Warriors took a 27-0 lead, the Raiders scored 16 straight points before Eminence closed out the game with clutch defensive stops.

In head coach Barrett Sanderson's first career victory, Eminence set the tone early on both sides of the ball to take a quick 7-0 lead.

The Warriors forced a turnover on downs on Trimble County's initial possession, and began their ensuing drive with a 38-yard gain by Raihan Steed.

Steed nearly put Eminence on the board with another long run, but a penalty negated the play.

The Warriors recovered, though, and sustained the drive with runs by Steed and a crucial fourth-down conversion by Xavier Payne.

Steed capped off the possession with a strong 2-yard touchdown run, and Trey Heath hit the PAT to put the Warriors ahead 7-0 with 5:16 left in the first quarter.

Both defenses ramped up their aggressiveness as the first half progressed to keep the margin at 7-0.

Trimble County had a chance to even the score after a long pass to Case Keeton put the Raiders in the red zone on the opening play of the next drive.

However, the Warriors stood firm to recover a Raider fumble and halt the attack.

Abby Hooven

Trimble County senior wide receiver Briley Clifford (80) and Eminence defensive back Kenien Foree (1) battle for the ball in the end zone. Clifford held on for the touchdown.

Trimble County took advantage of several Eminence penalties, though, to force a Warrior punt on the ensuing possession.

Despite the defensive stop, Eminence stayed in control and used two sacks and a stop on a fourth down scramble to regain possession at the Raider 41-yard line.

Trimble County withstood a potential scoring opportunity by recovering a Warrior fumble just two plays into Eminence's drive, but the Warriors quickly countered with a three-and-out stop on defense.

Eminence looked poised to add to its lead after capitalizing on three straight offsidess calls on Trimble County and a 25-yard quarterback

keeper by Jackson Preher.

After a lengthy injury delay during the drive, the Raiders stopped Eminence just shy of the first down marker to stymie the Warrior attack.

Both teams earned one final defensive stop near the end of the first half, including a huge stand by the Raiders in the red zone, to keep the margin at 7-0 at the break.

At the outset of the second half, Eminence worked its way down the field during a 10-minute possession to extend its lead. Between runs by Preher, Payne and Steed, the Warriors moved into the red zone and Steed capped off the drive with a blistering 14-yard touchdown run down the middle to put Eminence ahead

13-0 with 2:08 left in the third quarter.

The Warriors quickly shut down Trimble County's next drive before Steed struck again with an 8-yard touchdown run with 11:04 remaining in the game.

Eminence furthered its momentum with an interception by Tavion Chambers on a deep Raider pass, and the Warriors capitalized on the turnover as Preher broke free along the Trimble County sideline for a 59-yard touchdown.

With the PAT, Eminence took a 27-0 lead with 9:37 to play.

The Raiders immediately countered, though, as Silas Sandusky returned the ensuing kickoff for a touchdown. The Raiders ran in the 2-point conversion to trim the margin to 27-8 with 9:24 left.

Trimble County continued to battle and recovered a botched snap by the Warriors to set up another scoring play in a short field situation.

Briley Clifford caught a well-placed ball in the end zone for a touchdown, and Moses Sandusky found a gap for a successful 2-point conversion to cut the Warrior lead to 27-16 with 6:26 to go.

Eminence held on down the stretch, though, to secure its first win of the season and move to 1-4 overall.

Trimble County (1-4) hosts Berea on Friday in Bedford for the Raiders' homecoming. The Pirates come into the game 0-4 including a forfeit to Nicholas County and an 18-14 loss to Harlan in their last two games after blowout losses to Lynn Camp and Fairview to open the season.

the fourth quarter and scored a 2-yard run by Joseph Stanley to tie the game 20-20, but Brandon McCorry returned the ensuing kickoff 80 yards for a score to quickly put Jennings back on top 27-20 with just over 10 minutes to play.

Jennings then scored with just under five minutes to play on a 5-yard pass from Franks to Nathan Harrison and the pair hooked up on final score, a 16-yarder with 40 seconds to go, for the final margin.

Jennings finished the game with 339 total yards, nearly all of which was on the ground. Franks, who completed only five passes for 21 yards, had 130 yards rushing on 17 attempts while McCorry added 129 yards rushing.

Meanwhile, Madison had 255 total yards, nearly equally distributed between rushing and passing. McCarty and Brody Copeland combined for 7-of-17 passing for 128 yards and the Cubs had 127 yards on the ground. Stanley finished

with 94 yards rushing on 19 carries to lead the way.

But the most frustrating thing for Madison was the mistakes. The Cubs where whistled 19 times for 130 penalty yards and had two turnovers. Jennings had 11 penalties for 125 yards.

"In this game, with the type of offense that both teams were running in the first half, you can call holding on every play. It just seems like we don't catch a break on that. We just get the penalties left and right," Benintende said. "I told them, 'Don't hang your heads, swallow it. Let's come back tomorrow morning and play JV. The season's not lost,'" Benintende said. "I've always kidded with with them about what happens when an 0-9 team goes to the playoffs and they get it right and then make a run for it? They win five games and then they're state champions. Is it better than a 9-0 record and lose in the first round? So we're getting better, it's just not showing on the scoreboard."

Madison hosts Class A No. 2 Providence next Friday. Jennings County travels to Bedford North Lawrence.
